

JEFF MADISON

AND THE

SHIMMERS OF

DRAKMERE

BY BERNICE FISCHER

SNEAKY PEEK OF PLOT:

Jeff's little brother is taken to an evil land far away. DRAKMERE! A rescue party of warriors is sent to bring him home. The warriors face many obstacles sent by a wicked witch and king. Will they make it home safely?

BEST BITS:

My favourite character has to be Angie. She is a crazy witch who seems to like toads. I loved the part when Angie's broom decided to turn itself into a bike-broom then later on in the book when the broom decided to become a rocket broom. I also liked Angie's punny conversations with her broom. I loved this book and can't wait for Bernice's next book, (if there is one)! I would definitely recommend this book to my friends. I'm 10 years old and think this a good age for this book. 9 +: but you are 9
